+6282353165184 ~ setiawanbayu66152@gmail.com

SKILLS

- HTML
- CSS
- PHP
- Laravel
- JavaScript
- TypeScript
- React

WORK EXPERIENCE

Freelance Fullstack Developer (2020 > Present)

I am confident with React, Laravel, and Bootstrap. I also have some experience with other frameworks such as Vue and CodeIgniter 2.

EDUCATION

SMKN 7 Samarinda (2019 > Present)

ABOUT ME

I live in Samarinda, Kalimantan Timur, Indonesia. I have a passion for a frontend development and want to learn more. I'm still young and inexperienced in a lot of things, but if you need a young man with great spirit in programming maybe I am the one you need. I can work in a team, I am confident with frontend development, and if it is needed I can do a fullstack development.
